Application Instructions

Applicant Information: Fill in the property owner's name, property address and a phone number.

Project Information: Please check the boxes for the type of improvements to be completed.

Date of Code Violation: Please attach a copy of the citation to application.

Estimated Project Cost: Indicate which of the two (2) contractors you will hire to complete the project. Fill in the contractor name, a short description of the work to be completed, and the cost. The contractor **MUST** be registered with the Warrensville Heights Building Department.

Required Attachments: Please submit all required attachments. A complete application **MUST** be submitted with a copy of the CODE VIOLATION CITATION AND TWO (2) ITEMIZED COST ESTIMATES.

Certification by Homeowner: Homeowner must sign and date. **REQUIRED:** Copy of Proof of Payment for Services (i.e., check, money order, etc.)

Application Submission: Completed application must be submitted to the Community and Economic Development Department for review and approval. **Please allow 7-10 business days to review and make a determination.** Applicant will be contacted in writing by mail and/or email (if provided).

The Exterior Maintenance Program is a city-wide program with limited funds. Projects will be funded on a first come first served basis until all funds have been allocated. Only complete applications, with all of the required attachments, will be considered.

Approval Process

If application is approved, the homeowner will receive an approval letter including a Contractor License Registration application. Contract must register with the Building Department prior to the start of the project.

The project cannot begin until the contractor license has been submitted. The project must be completed within sixty (60) days.

If the application is not approved, the homeowner will receive a letter explaining the reason for denial.

Reimbursement Process

At the completion of the project the homeowner must contact the Building Department to schedule a final inspection.

If the project is approved by the Building Department an Inspection Confirmation will be issued.

The homeowner must submit a copy of the Inspection Confirmation and proof of payment in full to the Department of Community & Economic Development.

A check for the reimbursement amount will be mailed to the homeowner approximately two (2) weeks after the Inspection Confirmation and proof of payment in full has been submitted.
