(Registration, bond, and certificate of insurance required)

Application is hereby submitted for a Sanitary Sewers connection permit as described in this application and all accompanying paperwork/drawings which are part of this application. The undersigned agrees to comply with all applicable codes, ordinances of the City, and laws of the State, and to request inspections as required, and to adhere to plans and specifications as submitted with any corrections, and understand that any violation of these conditions voids the permit. The undersigned swears and affirms that the information herein is true and accurate and acknowledges that the filing of an application containing false or incorrect information with the intent to avoid the licensing, permit, or tax requirements of the State or this City is falsification and voids this permit. Additional permits may be required.

It is hereby specifically agreed that the undersigned will notify the Building Department to inspect all connections and any other things specified by the Building Department.
